

PAPER

newspaper,
magazine

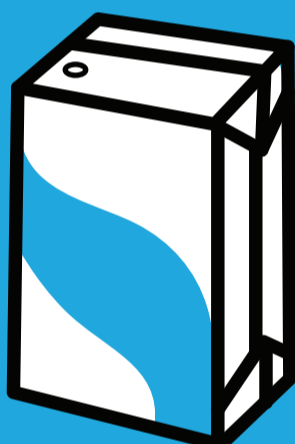

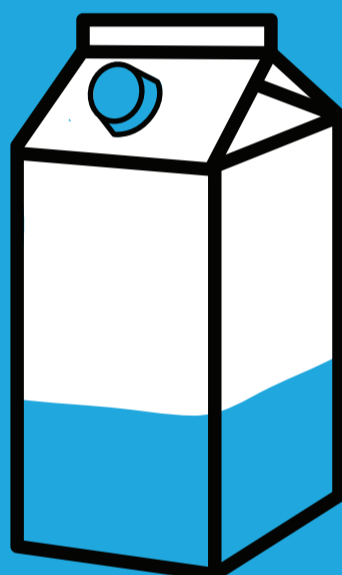

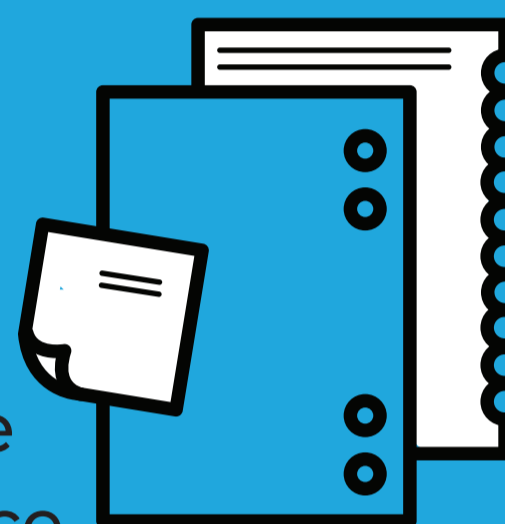

book,
notebook

wrapping paper,
cardboard

paper waste
from the office

cardboard boxes,
rinsed drink packaging
(e.g.: milk, and juice boxes)

**PLEASE
DO NOT THROW**
in paper and boxes
contaminated with food
and any other type of filth
(e.g.: grease, oil, solvent),
indigo paper, faxpaper,
used tissues and napkins!

USEFUL TIPS!

Trample the boxes flat, so they use up less space! Dirty boxes, and food leftovers should be rinsed off before they go into the bin.

Out of the wastepaper, some useful items are made (e.g.: notebooks, boxes, cardboard furniture)

Keep the valuable materials in circulation!
